## CUSHIONED SPORTS SURFACE

REBOUND ACE IMPACT is a multi-purpose, cushioned indoor sports surface. Designed for a wide variety of indoor sports, REBOUND ACE IMPACT is tough and durable.

REBOUND ACE IMPACT provides a high performance surface for professional, amateur and social ball sports such as basketball, netball, volleyball, badminton, tennis, and soccer. It is also suitable for other indoor sports including rhythmic gymnastics and dance.

The resilient cushion provides a secure, comfortable feel underfoot, is easier on the body than hard court surfaces, reduces fatigue and allows you to play for longer and more often.

REBOUND ACE IMPACT provides the flexibility and toughness essential for multi-purpose indoor venues, including: schools, community halls, sports and community centres.

REBOUND ACE IMPACT is the therapeutically cushioned alternative to hard floors and timber flooring.
