

REBOUND ACE HSA CLUB

CUSHIONED SPORTS SURFACE

REBOUND ACE HSA CLUB provides the perfect combination of performance and comfort. Utilizing a 4mm rubber mat, REBOUND ACE HSA CLUB is the perfect surface solution for competitive play and physical wellness.

REBOUND ACE HSA CLUB is an affordable cushioned sports surface designed for your Club and for the health, well-being, safety and protection of your players.

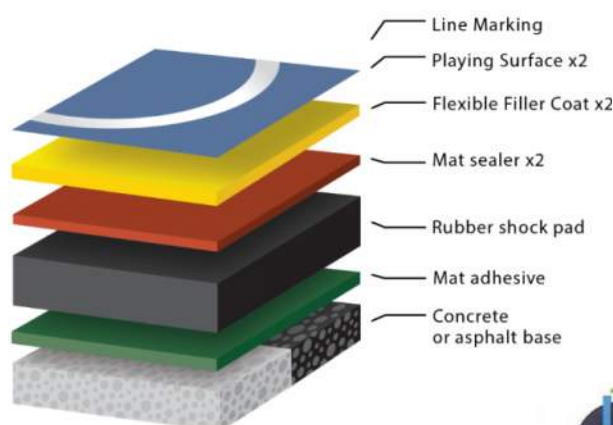

The ultimate mat cushioned surface, with a slip resistant acrylic topcoat to ensure your team is protected from joint and muscle pain and can play for longer without undue fatigue and pain.

REBOUND ACE HSA CLUB has been designed in outdoor and indoor versions that offer affordable, genuine, cushioned courts using the proven superior polyurethane / rubber mat technology for clubs, resorts and private courts.

The acrylic topcoat playing surface applied over the resilient Rebound Ace Cushion is a result of over 20 years experience of Australian and overseas exterior exposure in a wide variety of climatic conditions with outstanding success unsurpassed by any other coating.

REBOUND ACE HSA CLUB is suitable for:

- Tennis
- Basketball
- Netball
- Multisports
