

REBOUND ACE GRAND SLAM GS 8mm

CUSHIONED SPORTS SURFACE

The REBOUND ACE GRAND SLAM mat system offers the ultimate level of cushioned comfort and shock absorbency on the market.

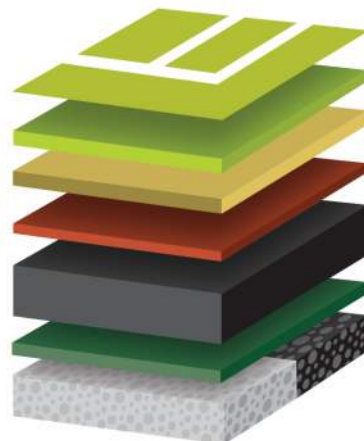

REBOUND ACE GRAND SLAM is a resilient cushioned polyurethane/acrylic composite surface designed to be easy on the body, while still providing a range of ball speeds from slow to medium fast, consistent ball bounce and accurate ball response.

REBOUND ACE GRAND SLAM provides a high performance surface for professional, amateur and social tennis.

The resilient cushion provides a sure comfortable feel underfoot, is easier on the body than hard court surfaces, reduces fatigue and allows you to play longer and more often.

This surface system is perfect for periods of extended play and is well-suited for the lifelong player.

REBOUND ACE GRAND SLAM is topped with Synpave's Ultra Top Coat and is available in 10 of the most vibrantly pigmented colours in the industry.
